Never owned a Stanley Duraglide automatic door before?

Here's your opportunity to own and experience the benefits of this proven product together with extended warranty and cost free maintenance for 2 years.

Stanley Dura-Glide doors combine state-of-the-art microprocessor technology with advanced engineering to provide some of the safest, most dependable and highest-performance door-systems in the industry. The Dura-Glide HD2000 and HD3000 Series are the industry standard for smooth, reliable service in every application from high-traffic retail locations to upscale professional and institutional settings.

Special Offer for all orders placed before 31/12/10 for a complete new automatic sliding doorset.

- **Extended warranty**

All parts supplied and installed by AXIS are covered by a twenty four month warranty for faulty components (unless due to misuse, abuse or negligence, etc.) when serviced by our BS7036 accredited engineers.

- **Servicing for 2 years included**

3 service visits (at 6 monthly intervals from date of installation) undertaken by our BS7036 accredited engineers during the warranty period.

For further information, please contact our Sales Department on 0844 504 6525 or email sales@axisautomatic.com.

In both instances, please quote ref SLD2YEAR. A member of our sales team will then contact you to discuss your requirements and where appropriate, arrange a site survey.
